RESEARCH & INTERNSHIP

HYDERABAD INTEGRATED MUNICIPAL SOLID WASTE LTD., HYDERABAD

JUNE 2024

India's largest landfill gas-to-compressed biogas (CBG) and zero-liquid discharge wastewater treatment facility.

- Assisted in conducting jar tests to optimize coagulant dosing and studied gas processing for clean fuel applications.
- Researched integration of solar energy and natural gas in wastewater treatment for zero-emission operations.

RADORATORY TECHNOLOGIES, HYDERABAD

JUNE 2025

Manufactures Lino Hematology Analyzer, Blood Smearer and rapid stainer.

- Worked on optimization of Wright and Giemsa dual-staining processes for diagnostic hematology.
- Shadowed scientist who improved staining consistency and reduced process time from 10 minutes to 60 seconds for digital imaging suitability.

INDEPENDENT RESEARCH PAPER

JUNE 2025

Electrochemical Mechanisms and Materials Innovations in Lithium-Ion Batteries.

- Analyzed electrode reactions, SEI growth, and dendrite formation.
- Evaluated next-gen materials: silicon anodes, nickel-rich cathodes, and solid-state electrolytes for EVs.

CRICKET PROFILE

2015-2025
